AROUND the TOWNSHIP

Around the township, as the
odors of decaying cauliflower
mingle with the fragrant blossoms
of wild almond, there is
left little room for doubt that
spring is just around the corner.

During the four weeks, be-
ginning March 18, would be an
excellent time for residents of
the township to invite their
friends and relatives who live
elsewhere to make them a visit.
The California Nursery Com-
pany's seventh annual bulb
show will be going full blast,
furnishing another major event
of interest during that period.

Residents of four communi-
ties of the township were on
Tuesday afforded a real-life op-
portunity to see how the news
and pictures are gathered for
the appeasing of the public's
daily appetite.

Enseñado with brother Ralph
Capone in a taxicab, the
route of Mrs. Mae Capone, wife
of Al, led from their visit to the
"rock" toward Los Angeles by
way of Alvarado, Centerville,
Irvine, Warm Springs and
San Jose. Hanging doggedly to
the trail for all of the 73 miles
of the chase was what is de-
scribed as a field army of news-
papermen and photographers.

Finally, the resistance of the
occupants of the taxi was broken
down. A halt was called and
Mae answered the reporters' queries
of "How is Al?" and
suffered the cameramen to
"shoot" half of her face.

The entire episode made 12
inches of news in the Oakland
Tribune.

Ways and means of assisting
the worrying male through
hours of anxiety has been allotted
time for discussion during
the San Francisco convention
next week of the Western Hospi-
tal Association. Out of this
first effort is likely to come regu-
larly constituted hospital
rooms where expectant fathers
may have a degree of ease and
privacy as they smoke, read or
walk the floor. Walls and ceiling
of soothing tone and homey
furniture have been suggested.

We are pleased to note the
many expressions from admirers
of the huge acacia tree which
overshadows the humble quar-
ters of the Township Register.
"Positively beautiful," "One
of the most wonderful sights in
the township," etc. So go the re-
marks. Personally, we'll be glad
when we can discard the whisk
broom with which we have been
trying to keep the blossoms out
of our hair.

Alvarado District Again Covered By High Creek Waters

ALVARADO—Due to heavy rain
in the Livermore hills Monday and
Tuesday nights the Alameda Creek
overflowed its banks for the third
time Wednesday afternoon and
closed the Creek Road to traffic.
The Marsh Road which has been
closed almost constantly for the
past month was again closed to
traffic.

At the A. B. Hill home the
water was about a foot lower than
it was two weeks ago but the fam-
ily had to resort to boats again for
transportation.

The creek overflowed about a
mile southeast of Alvarado near the
Langdon ranch and flooded the ten
ranches that were covered before.
The road was closed to traffic
about 6 o'clock Wednesday night
and remained closed yesterday.

FUTURE FARMER TAKE BAY TRIP AS CONTEST WINNER

CENTERVILLE — John Ura, a
student at the Washington Union
High School in Centerville and the
winner of the Hayward Production
Credit Association public speaking
contest, is being entertained by the
association in Oakland and San
Francisco on March 3 and 4, ac-
cording to J. S. Haines, secretary-
treasurer.

The association is one of 14 in
California that conducted a district
public speaking contest among
Future Farmers of America chapters
on the subject of sound farm
financing.

A highlight of the entertainment
planned for the winner while in the
Bay district is a radio broadcast
at 11:45 a. m. today over KGO in
which one of the boys will be cho-
sen to take part. Selection of the
Future Farmer who is to do the
broadcasting will be based on voice
quality after the boys reach Oak-
land.

Farm budgets will be the sub-
ject of the radio broadcast and the
well known Jennings Pierce will
announce the program. George
Couper, one of the outstanding
figures in vocational agriculture
from the California Polytechnic
School at San Luis Obispo, will do
the quizzing.

A visit to interesting points
around the San Francisco Bay area
will also be a feature of the trip.

HAYWARD MAN TALKS TO YOUNG PEOPLE

NILES — Twenty-seven young
people met at the Niles Congrega-
tional Church for supper Sunday
evening. O. B. Paulsen of Hayward
was the speaker, discussing the
vocation of teaching.

This is one of a series of talks
planned by the pastor, Rev. R. C.
Day on vocational guidance. De-
corations for the tables were in the
motif of Snow White and the Seven
Dwarfs and Spring blossoms
were used for decorating the
church parlors.

SCOUTS ENJOY SWIMMING TRIP

CENTERVILLE—As one of the
first outings for the new year the
scouts of Centerville Troop No. 1
spent Monday evening, February 21
swimming at the Hayward Plunge.
Thirteen boys took part in the out-
ing. They were accompanied by
Scoutmaster James M. Nunes,
Emanuel Maciel and Troop Com-
mitteeman Pete Nunes.

The boys who attended were Roy
Duarte, Anthony Maciel, Allan
Asakawa, Joseph Soito, Richard
Maciel, Jack Silva, Melvin Nunes,
Robert Lewis, Edward Perry, Ed-
ward Brazil, Robert Dutra, George
Mathiesen and Robert Cary.

Exhaustive Data Being Prepared In Flood Control Plan

ALVARADO—Lessening the cost
of control of flood waters and con-
servation of water are the two fac-
tors in the program to be suggested
by Will D. Patterson, president of
the Alameda County Water District
to the Alvarado Chamber of Com-
merce at its next flood meeting.
Patterson was appointed as one of
a committee of seven to draw up
a plan of proposed action.

The plan is designed to conserve
sufficient quantities of winter flood
waters to fill the needs of dry lands
in summer and to maintain a year-
round water level to act as a natu-
ral salt water barrier in wells along
the San Francisco bay area.

Engineers employed by the Water
District will report in a few weeks
on a survey now being made re-
garding the cost of construction of
a reservoir in the Livermore hills
which would conserve at least a
third of the waters of the ten creeks
flowing into the Alameda Creek,
Patterson states.

The Calaveras lake formed by
the Calaveras Dam was planned to
take off the peak of the storms, re-
leasing the water twice a year into
the gravel beds near the San Fran-
cisco Bay. With the additional
storage by the proposed reservoir,
only one third of the storm waters
would flow into the Bay, thus elim-
inating flooding of farm lands and
homes and also reducing the cost
of channel deepening and disposal
of excess water.

The water conserved by the two
above-mentioned projects would be
more than enough to supply the
needs of those wishing additional
water in the Pleasanton, Washing-
ton Township and Eden Township
areas, it is stated. The suggested
site for the reservoir is on the Ar-
royo Del Valle, four miles south
east of the U. S. Veterans Hospital
at Livermore.

The storm which flooded ranches
and homes at Alvarado and closed
the Niles Canyon highway to traffic
twice this past month was the
fourth severest in history. The
worst flood was in 1860, the next
in 1911 and another in 1916.

Township Schools Are Complimented By Superintendent

NILES—Highly complimentary
remarks regarding the public
schools of Washington Township
were made by County Superinten-
dent Edgar Muller while on his
visit to various schools and to the
Niles Rotary Club last Thursday.
He was accompanied by James
Bunker.

Muller stated that children in
rural schools under the present
county program were more for-
tunate in many ways than city
pupils, in that they received the
same school curriculum and facili-
ties and in addition enjoyed small-
er classes and more personal con-
tact with teachers.

Visitors were Clarence Johnson,
W. B. Sutherland, Walter Fling,
Bob Reid and Ed Soares. Dr. E. C.
Grau was named chairman of this
week's meeting. The program was
scheduled to include the showing
of a film on syphilis.

**DUPLEX APARTMENT
BEING ERECTED**
DECOTO—Al Costa is building
a \$5,000 duplex apartment at E and
5th sts., Decoto, and will have it
apartments have five rooms each
finished in about two weeks. The
nd are finished with veneer panels.
A double garage is also being con-
structed.

**BREAKS WRIST
IN FALL**
CENTERVILLE — Miss Nancy
McKeown suffered a broken left
wrist when she fell from a ladder
Tuesday while gathering blossoms
to decorate for the Country Club
meeting. She was treated by Dr.
George Holeman of Centerville.

Club Affiliates With Federation Has Distinctions

CENTERVILLE — Coincident
with affiliation with the General
Federation of Women's Clubs voted
at this week's meeting, the Country
Club of Washington Township be-
came a unique organization among
the federated clubs in the entire
United States.

It is the only club which draws
its members from eight towns. It
is the only active federated club
which promotes its program in an
unincorporated territory under the
jurisdiction of a county board of
supervisors. It is the oldest and a
charter member of the Alameda
County Federation and one of its
active members is the oldest past
president in the district.

The Country Club of Washington
Township was organized in 1896.
In 1901 it became a member of the
State Federation; in 1904 it affili-
ated with the District Federation and
in 1920, it became a charter mem-
ber of the Alameda County Fed-
eration.

The membership of 105 women
reside in Centerville, Niles, Alvar-
ado, Decoto, Newark, Irvington,
Mission San Jose and Warm
Springs, the eight towns making
up Washington Township. Its scope
of influence in promoting civic,
social, cultural and welfare pro-
grams covers these eight unincor-
porated communities and has been
effective in sponsoring county legis-
lation of benefit to their residents.

At the next meeting of the Ala-
ameda County Federation, the pres-
ident of the Country Club of Wash-
ington Township, Mrs. C. E. Mar-
tens of Niles, will take part in
a costume and luggage revue to be
given as a part of the program. She
will wear a gown which the club's
first president, the late Mrs. Mary
Allen, wore in 1896, the year the
club was organized.

Several of the charter members
of this organization formed 42
years ago are still active, among
them Mrs. J. E. Thane, the oldest
past president in the district. The
first meetings were held in the
homes of the members until the
\$10,000 club house was built in
1914. Two years ago under the
presidency of Mrs. Frank T. Dus-
terberry, past president of the Ala-
ameda County Federation, the club
built a \$1500 addition to provide a
stage and additional facilities. The
last payment was made on this
fund this month.

The club plays an integral part
in community life, being a favored
gathering place for social, civic
and fraternal organizations for
dinners, dances, lectures and con-
certs. Among its special projects
are the Red Cross, child welfare,
the Veterans Christmas fund, aid
to the blind, high school activities,
the Children's Hospital, cancer re-
search, crippled children and all
projects of the General, District
and County Federations.

An innovation in the club pro-
gram in 1938 was the first annual
husbands' dinner, attended by more
than 100 members and their es-
corts. Enthusiastic response by the
husbands to the event assure its
becoming a permanent item on the
club calendar. The annual recip-
rocity luncheon held each September
is the opening event in club activ-
ity for Alameda county and is at-
tended by thirty or forty presidents
of neighboring organizations.

**UNITED FOR
JOE E. SILVA**
NILES—Funeral services were
conducted Tuesday for Joe Enos
Silva, who passed away on Feb. 26.
Mass was said at Corpus Christi
Church and burial occurred in the
Holy Ghost cemetery at Center-
ville, with the Berge Mortuary
Company in charge of arrange-
ments.

Silva was a native of the Azore
Islands and was 68 years of age.
Surviving are his wife, Mrs. Rose
Enos Silva; a daughter, Delphina;
a son, Freddie, all of Niles.

He was a cousin to Marian King
and Joe King of Niles and brother-
in-law to Joe Oliver. He was a
member of the U. P. E. C. No. 16
at Alvarado.

Quarantine Stays On Dogs In Niles As Safety Move

NILES—The quarantine on dogs
to prevent an epidemic of rabies
placed last week has been contin-
ued until further notice, according
to Dr. I. O. Church, county health
officer, following the finding of a
dead dog thought to have died of
rabies and the fact that Jimmie
Condit, aged five years, was bit-
ten by a stray dog on Monday.

The Condit child, son of Mrs.
Clyde Condit of Vallejo street, re-
ceived only a slight laceration on
the right hand. The dog was placed
under observation. The dead dog
was reported by Al Jergentz of 705
Vallejo st., according to report of
symptoms was thought to have died
of rabies, states Dr. E. G. LeDonn,
county veterinarian.

Owners are warned to keep their
pets tied up as all stray dogs will
be taken to the pound. Deputy
Sheriff Henry Vervais and A. Har-
ry Bliss, county health inspector,
have already picked up more than
a dozen dogs.

The cooperation of the public in
reporting dead dogs, dogs with ab-
normal behavior or persons bitten
by dogs, is requested by Dr. Church
and members of the sheriff's office.

Township's Oldest Families United Saturday Evening

ALVARADO—The marriage of
Miss Mildred Irene Sayles of New-
ark and Ralph Logan of Alvarado
united two of the township's oldest
families. The ceremony was solem-
nized at the Alvarado Presbyterian
Church last Saturday night by Rev.
J. M. McIlhenny and was followed
with a reception for 60 friends at
the home of the bride's parents.

After a honeymoon trip the couple
will reside in Alvarado at the old
family home of the Logans.

Attending the couple were Miss
Mary Beveridge of San Francisco,
maid of honor; Anna Mae Fyffe
and Elva Vortman of Alvarado,
bridesmaids; Ted Logan, brother of
the groom, best man; James Logan
and Joseph Fyffe, ushers.

The bride wore a white satin
wedding gown made princess style
with long train and long veil. She
carried a shower of gardenias and
white cyclamen. The maid of honor
wore peach chiffon and carried
talisman roses. The bridesmaids
wore pale blue and pink chiffon
formals and carried shower bou-
quets of roses. They wore short
veils.

The bride is the daughter of Mr.
and Mrs. F. H. Sayles of Newark.
She is a graduate of local schools
and attended the University of
California. The groom is the son of
Mrs. Rebecca Logan and is a grad-
uate of the Washington Union High
School.

The church was decorated with
cala lilies, almond blossoms and
tall white candles. The wedding
covered with white damask and
supper was served from a table
decorated with white blossoms.

**WANT CAMP FOR
TRANSIENT WORKERS**
ALVARADO—Establishment of
a camp for transient vegetable
workers is being advocated by the
Alvarado Chamber of Commerce.
President Charles Baird has ap-
pointed John Ralph and Ed Rich-
mond to investigate possibilities.

Local merchants feel that con-
siderable business would be realiz-
ed if proper facilities could be of-
fered transient workers who reside
elsewhere in Washington Town-
ship.

George Oakes, W. Russel, Clar-
ence Flores and Charles Baird
were appointed on a community
publicity committee.

NILES—Nomination of officers
and discussion of highway signs oc-
cupied the attention of the Niles
Chamber of Commerce at the
weekly luncheon meeting Monday.
Next week's meeting will be held
at the Hotel Belvoir due to building
enlargement at the Florence Res-
taurant.

Officers nominated were W. B.
Kirk, president; C. W. Kraft, vice-
president; George Bonde, second
vice-president; A. J. Petsche, sec-
retary; Robert Blacow, treasurer;
Dr. E. C. Grau, Lester Duffey, E.
A. Ellsworth and F. V. Jones, di-
rectors.

Dr. T. C. Wilson reported on
highway signs and lighting. He
stated that the Junior Chamber of
Commerce had suggested sodium
vapor lights instead of a neon sign
because of expense. Petsche stated
that the P. G. & E. could install
and maintain lights if authorized
to do so by the County Board of
Supervisors. It was suggested that
the supervisor be asked to assist
with installation and maintenance
of these lights.

George C. Roeding, Jr., moved
that day-time signs be placed at
the entrances and that these signs
be illuminated with sodium vapor
lights at night. The Chamber went
on record as favoring this plan.

Roeding also thanked the Cham-
ber for its publicity for the annual
bulb show to open March 18 and
extended a personal invitation to
members and friends to attend the
show without the entrance fee that
is to be charged during week ends.

Kirk reported that in all the ship-
ments made from the nursery to
foreign countries none had ever
been rejected because of plant
pests. He stressed the value of the
advertising given to Niles all over
the world through these shipments.

UNITED FOR FRANK JANEIRO

DECOTO—Frank Janeiro, 71,
who passed away at his home Mon-
day morning after an illness of 10
years, was given final rites yester-
day. Mass was said at the Holy
Rosary church in Decoto and in-
terment was at the Holy Ghost
cemetery at Centerville.

Surviving are the widow, Mary,
and five children. Mrs. Louis King,
Mary, Cecilia and Charles Janeiro
of Decoto and Mrs. Joseph Leach
of Pleasanton.

TEACHER IS BURNED

CENTERVILLE—Barton Webb,
physics instructor at the Washing-
ton Union High School, received
second degree burns on his right
hand during a hot oil experiment
in the school laboratory.

Hi School Vodvil Scores Big Hit On Two Evenings

CENTERVILLE — More than
1500 witnessed the 1938 Vodvil last
Thursday and Friday nights at the
Washington Union High School, a
consensus of opinion indicating
that this year's show surpassed an
previous ones both in effectiveness
of stage setting and originality of
skits, most of which were planned
by students.

One of the surprise hits of the
program came when Bob Groat,
for the past 11 years the night-
watchman at the school, was en-
thusiastically encored when he
wandered onto the stage and gave
piano solos.

Twenty-seven years ago "Bob"
was playing in all the principal
restaurants in San Francisco. He
started studying music when he
was six years old but during the
past 20 or more years has not ap-
peared on programs. Accompanying
him in the skit "Fantasy" was June
Stannard, toe dancer.

The "Swing Masters" directed by
Donald Dias added much to the
success of the program.
